Hi! I'm Sara, a UI/UX designer based in Netherlands and graduated with a BE of computer engineering(IT). I've dedicated two years of my career to working as a UI/UX designer at Paramount Students Company. I create modern and easy-to-use website and mobile designs. I mainly work in Figma. Feel free to message me, the quickest way to reach out to me is via an email.
 I'm currently seeking new opportunities for remote employment or freelance projects.
